

A few words from our President

Welcome to our June newsletter.

Before detailing events of May and June, I would like to acknowledge the wonderful work of Helen Wilcock, Linda Anderson and Helen Coles for their recent roles as president, treasurer and secretary. Similarly, I thank members who also gave their time and enthusiasm to being part of the committee.

At the AGM we elected our next committee. The committee is: President: Lesley Brown.

Vice-President: Tom Trower. Secretary: Ynes Guevara. Treasurer: Monica Schulze.

Committee: Tracy Guilford, Mark Buckley, Helen Willcock, Trisha Garrett.

The highlight of May was our Autumn Show in our clubrooms. The range and diversity of work was impressive. 42 artists exhibited, 273 people attended and 35 artworks were sold. We now look forward to our show at the Aigantighe Art Gallery in September and a possible

miniature show in July.

Another highlight for members was the trip to the Ashburton Art Gallery to see Ynes Guevara's exhibit Altar, Beautifying, Understanding. A great day was had by all. In June we continue to meet and create on Tuesdays (1pm - 3:30pm) and our ever popular Thursdays (10am - 2pm). Our Abstract Art workshop on the 22nd June, is fully subscribed and we will be running an additional workshop later in the year. We are also refreshing our small exhibit space in the Endoscopy Department at Timaru Hospital. Please email southcanterburyartsociety@gmail.com if you have paintings for display.

In closing, I am looking forward to continuing the legacy of the South Canterbury Arts Society and supporting all our members in the creation and celebration of the visual arts.

com if you have paintings for display.
