

## A few words from our President

A big thanks to all with the set up of our Summer exhibition. The stats must still be reconciled, but the show was worth the effort allowing our artist to display their works.

Thanks to all for your input over the past year and have a wonderful Christmas and a Happy New Year. We look forward to seeing you all next year.

Don't forget the Xmas get together and the Secret Santa gift for about \$10 but must be anything to do with art.

Regards  
Tom
