

A few words from our President

A big thank you to Lesley for the workshop a few weeks ago, one gains so much from attending workshops given by experienced tutors, for me painting abstract is something I will have to work on, it requires approaching a subject from a different perspective .
Don't miss out on the sketching workshop tutored by Rachael, check out the date below.

Just a reminder that painting at the club on Tuesdays as well as on Thursdays and plein air get together on Sundays.
Our exhibition at the club will be upon us sooner than you think so if anyone needs assistance with framing, please let me know.
Have an enjoyable month
Regards Tom.
