

A few words from our President

Hello to Artists

Acknowledging Service to the Art Society
The South Canterbury Arts Society are saddened with the passing of Zita Waldron. Zita was a huge influence in the South Canterbury arts scene. She exhibited prolifically and continued to do so into her 90s. Our thoughts are with her family at this time. (A sympathy card has been sent to the family)

Hospital Artworks

You may not be aware that we have a dedicated space in the waiting area of the endoscopy unit at Timaru hospital to hang 5 pieces of artwork. The hospital has invested in a hanging system for this area We have just changed these over and plan to do so on a 3 monthly basis. Next due for changing August 17. If you have an artwork that you wish to exhibit in this space please let me know before the due date. All art must have D rings. I will collect these artworks from the club rooms the Thursday prior.
